Your Pathway Fit Scorecard

Prepared for: **PDF Tester** · 2026-06-09

Note: This is a “best-fit” ranking to help you shortlist the right pathway — it is **not** an official visa points / CRS score. Final eligibility depends on document verification, skills assessment and current policy. Please consult a LEAMSS expert before any decision.

Best Fit: **New Zealand · Skilled Migrant Category**

You are a highly competitive candidate with excellent academic credentials, strong work experience, and solid English proficiency—your profile scores well across multiple countries. While Canada Express Entry is your preferred destination with a moderate score of 72, New Zealand and Canada's Provincial Nominee Program offer stronger pathways (78 and 77 respectively), and we recommend exploring these alongside your Canada strategy.
