Annexure I: Application Procedure

Stage 1: Filing for Skill Assessment

Filing for skill assessment to the relevant skill assessment authorities. The applicant agrees to pay the Skill Assessment Authority fees at the time of lodging the application for skill assessment. Clearing the IELTS or PTE (Academic) or TOEFL Test with appropriate score as advised is solely the client's responsibility.

** Application cannot proceed to Stage 2 unless the applicant has received positive skills assessment and minimum required English score. (For some Skill Assessments, it is mandatory to clear English Test at Stage 1.)*

Stage 2: Filing for EOI (Expression of Interest)

w.e.f. 1st July 2012 (Rules implemented on 1st July 2012). After receiving positive Skills Assessment and clearing the required IELTS band(s) along with all other information (to be provided by the applicant), LEAMSS.COM will file an online Expression of Interest (EOI). The application will stay in the pool created for the purpose by DHA (Department of Home Affairs) for up to 2 years.

The applicant will then wait for an invitation from the Department of Home Affairs to make a visa application. The invite may come in during a time frame lasting up to 2 years and is determined by various factors — including but not limited to the skills and qualifications needed in the Australian labor market, and/or the selection of the profile from the EOI pool by an Australian employer, region, or state.

Stage 3: Getting Invitation and Filing with DHA within 60 days

If and once the applicant gets the invite, they must provide all documents to the immigration specialist so as to enable LEAMSS to lodge the visa application with DHA within 60 days of receipt of the formal invite.

No refunds in case of withdrawing the application voluntarily, due to any reason after releasing the checklist and sharing the intellectual property. Also no refund if there is a rejection due to Medical Health Check-up or Negative Report from Police Clearance Department from local authorities of your home country, or each country travelled in the last 10 years.

The Client agrees to pay the balance of the fees due within the time frame specified in their nominated payment option. A receipt will be sent to the client on the same day of payment.

Application fees, which are payable by the client, are subject to change by the relevant authority. Notification will be sent to the client if such a change occurs.

The professional fees refund policy does **not apply** if the Skills, State/Territory or Visa application is rejected due to provision of false documentation or statement by the Client. In this event LEAMSS will retain 100% of all fees paid.

Before commencing our service, LEAMSS will question the Client to reveal if there is an ongoing or pending medical condition affecting a migrating family member. The professional fees refund policy does not apply if the application is rejected due to a medical condition affecting a migrating family member that was not detailed to the LEAMSS agent before commencing service. LEAMSS retains the right to terminate a contract where a client has withheld such information.

Before commencing service, LEAMSS will question the Client about previous and/or pending criminal convictions. The refund policy does not apply if rejection occurs due to such conviction not previously disclosed.

The refund policy does not apply where an application cannot continue due to a material change in migration law or Client personal circumstance, including but not limited to changes by Department of Home Affairs (DHA), nominated state/territory, or your relevant Skills Assessing Authority. This also includes changes in personal circumstance — character change and change of medical conditions.

If the client fails to meet the required English language level needed to have the visa approved, the professional fees refund policy does not apply.

LEAMSS's professional fees refund does not apply if the application is rejected on any of the grounds detailed in sub-clauses 4(B), 4(C), 4(D), 4(E), 4(F), 4(G), 4(H), 4(I), 4(J), conditions which LEAMSS has no capacity to control.

Refunds are 100% performance-based and are not payable unless the client's skills or visa application is rejected and the client's migration application cannot proceed and succeed. They will not be refundable in the event that the client decides not to continue the application prior to final decision.

LEAMSS has no control over the time taken to process the application once it has been received by the governing body and so cannot be held responsible for time taken for them to complete the case. Nor are we able to guarantee their final decisions on a case.
