Profile summary:

An industrious, dynamic and focused regulatory affairs professional, with 11 years of experience in biologics with varied domain knowledge of regulatory affairs operations, upstream and downstream process. Commendable experience in CMC documentation and regulatory filings for biosimilars business. Effective independent worker as well as excellent coordinator for regulatory affairs team.

Professional Experience & Key Responsibilities:

- Freyr Global Regulatory Solutions and Services | CMC Specialist | Sep 2022- Present
 - Assessment of change controls for global markets.
 - Review of the CMC related source documents for section authoring.
 - CMC authoring and submission of Variation packages to global markets.
 - Coordination with various stakeholders (SME, country LoC) for timely dispatch of quality variation packages.
 - Updating/Maintenance of various trackers for tracking submissions, global dispatches, LoC communications, change control assessments, etc.
- Intas Pharmaceuticals | Senior Executive, Regulatory Affairs | Dec 2019 to Sep 2022
 - Compilation, review and authorization of CMC sections (Module 3) for MA and Clinical trial applications (CTA, IMPD) for EU and Indian market. Preparation of query response.
 - Support in compilation and submission of scientific briefing documents to EMA.
 - Collect and co-ordinate information and compile CMC sections as per eCTD, CTD and ACTD format for various biosimilars for filling in ROW countries.
 - Timely compilation of documents for license renewals, update and re-registrations. PP COPP Lic WHO application, legalization docs preparations. Coordinate for Trademarks and samples. Review of Artwork and labelling part.
 - Review of in-house documents like manufacturing batch record, analytical method, validation report, validation protocol, stability, specification (excipients, API and finished product), justification of specification for dossier compilation.
 - To verify specification of excipients, active, finished product and packaging material and all required documents.
 - PP COPP Lic WHO application, legalization docs preparations. Coordinate for Trademarks and samples. Review of Artwork and labelling part.
 - Updating/Maintenance of database with regulatory submission and approval.
 - SPOC for change control assessment, interact with multiple persons for timely sharing of assessments.
 - Understanding of ICH, EMA and country specific guidelines for regulatory filing.
- Intas Pharmaceuticals | Research Associate, Translational Sciences Dept, R&D | Jul 2016 to Nov 2019:
 - Execute purification experiments at an early stage for different mAbs and various proteins. Interaction with multiple vendors for innovative improvement in purification process workflow.
 - Worked with PCR, molecular biology techniques for DNA, RNA extraction, etc.
 - Prepare periodic maintenance, qualifications and revise SOPs.

- Vitane Pharmaceuticals | Research Associate, Process Development | Mar 2015 to May2016:
 - Involvement in Downstream Process Development of monoclonal antibody (mAb) and therapeutic proteins.
 - Operate bioreactor, shake flask and monitoring, execution of batches.
 - Purify crude harvest from upstream department and extend it to the formation of Drug substance.
 - Plan & execute chromatography experiments for purification of mAbs and recombinant proteins with various chromatography methods such as AFC, AEX, CEX using AKTA Pure system.
- Praj Matrix | Trainee, R&D Center | Oct 2013 to Apr 2014:
 - Trained in basic microbiology skills and techniques.
 - Involved in operation of bench scale fermenters and supporting systems, optimizing fermentation processes, downstream processing for recovery and concentration of protein, bioassay (fungal and bacterial, handling of anaerobic cultures, etc.

Educational Details:

- Post-Graduate in Biotechnology from Dr. D. Y. Patil Vidyapeeth, Pune in year 2012
- Graduate in Biotechnology from Dr. D. Y. Patil Arts, Science & Commerce College, Pune in year 2010
- Higher Secondary School from S. V. Union Jr. College, Pune in year 2007
- Secondary School Degree from St. Jude High School, Pune in year 2005

Technical Skills:

- Dossier authoring and reviewing, reviewing of technical documents, proficient in Microsoft office, Adobe Acrobat Pro DC, attention to detail.
- Usage of applications like eCTD express, TRS viewer, Trackwise, ShEDS and Grace.

Academic Project:

- **National Chemical Laboratory, Pashan, Pune:** Isolation of squalene synthase partial gene fragment from *Withania somnifera* and generation of its antisense clone in Binary vector pCAMBIA 1301.
- **D.Y.Patil College, Pune:** Characterization of cellulase by immobilization of *Bacillus subtilis* (ATCC 6633)

Declaration:

I hereby declare that the above written particulars are true to the best of my knowledge and belief.
